

# Kids' Contact Book

TES directory (compiled by TES PTA)  
Assist TES PTA in creating a way to stay in touch.

Please provide the best/easiest way to be contacted for everything from birthday invites to play dates to "my kid came home with your kid's sweatshirt." The contact information will be available to the entire TES student body. If more than one contact person is necessary, please fill out two forms. Fill out one form for each student. There will be a small fee for each book.
